

## Week 2 – Lane 2A

### 1. Mission

Intelligence analysts believe the Compound of Interest (COI) located at **894 N Ashe St, Southern Pines NC, 28387** is the office of OBJ TARGARYEN. Task Force WESTEROS commander wants to determine if there are any targetable devices or networks located at the COI. The area is permissive, but to avoid alerting OBJ TARGARYEN to our presence you must employ adequate tradecraft and avoid exposure to the target location (Do not sit out front, limit passes, etc.).

#### Key Tasks:

- Conduct a unilateral survey to locate the network of interest and associated selectors.
- Capture & crack a handshake (if possible).

### 2. Task and Purpose

**Task:** Conduct wireless surveys to identify and locate a selector of interest.

### 3. Target Information

- Unkown

### 4. Location

**Address**  
**894 N Ashe St**  
**Southern Pines NC, 28387**
